

2020 Waterfall Ride

Christine & I are planning a long weekend ride to Michigan's Upper Peninsula to visit some of the waterfalls in the area.

We will be leaving the Fond Du Lac area on Thursday 6/11/2020 to head to the U.P. Friday and Saturday will be spent exploring some of the many waterfalls in the area, returning home on Sunday 6/14/2020

We all will have to have a Michigan State Parks pass to visit some of the locations. 2019 prices were only \$9 per day.

Please sent us an email if you'd like to join us, so we can properly plan the various stops and attractions. We are looking into possibly spending the nights at the Big Snow Resort.
